Dear Sir Aposin,

Greetings of Good Health!

The Department of Health Western Visayas Center for Health Development through the Capiz Provincial Health Office promotes the institutionalization of community peer groups at the city/municipal level to foster mutually supportive social networks for the youth to engage in. These peer groups will allow the youths to develop psychosocial skills and key relationships, promote socialization, and reduce feelings of isolation and alienation that can be associated with mental health conditions.

Through this functional support group, it can mitigate the end effects of mental health problems among the youth. Trained peer facilitator provides an avenue for the youth to share and arrive at solutions together while they encounter issues and concerns in their life stage.

In connection with this, we would like to invite Ms. Joanne J. Dequina, RN, 54 Secondary ARH Focal Persons and 26 Integrated ARH focal person representing in each LGU for the organization of city /municipal peer coordinator on August 1, 2024, 1 pm to 4 pm at Nestas Hilltop Hotel and Restaurant, RoxasCity.

For confirmation of attendance and other relevant concerns, feel free to contact our Provincial NCD Program Manager Jay B. Agarrado, RN at (+63) 9171250438.

Thank you for your kind consideration.

Sincerely,
