**2024 REGIONAL SCIENCE, TECHNOLOGY, AND INNOVATION WEEK  
(RSTW) IN WESTERN VISAYAS**

Attached is a letter from the Department of Science and Technology Regional Office VI (DOST VI), in connection with the conduct of its 2024 Regional Science, Technology, and Innovation Week (RSTW) in Western Visayas on August 22-24, 2024 at the University of Antique- Sibalom Campus.

The participation of learners and teachers from public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 003, s. 2024 titled Amendment to DepEd Order 022, s. 2023 titled (Implementing Guidelines on the School Calendar and Activities for the School Year 2023-2024) and DO No. 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DepEd Order DO No. 66, s. 2017.

This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546 also known as An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students or Teachers of Public and Private Schools, Colleges, and Universities (Ganzon Law).

The Schools Division Superintendents are given the discretion to act on this matter.

**DR. RAMIR B. UYTICO, CESO III**  
Regional Director  
Department of Education  
Duran St., Iloilo City

Dear Dr. Uytico:

Warm greetings from DOST VI!

The Department of Science and Technology Regional Office VI (DOST VI) is thrilled to announce that the **2024 Regional Science, Technology, and Innovation Week (RSTW) in Western Visayas** will be held from **August 22-24, 2024** at the **University of Antique - Sibalom Campus**. This year's overall theme, "Siyensya, Teknolohiya at Inobasyon: Kabalikat sa Matatag, Maginhawa at Panatag na Kinabukasan," underscores the pivotal role of science, technology, and innovation in fostering a resilient, comfortable, and secure future.

One of the exciting programs of the aforementioned event is the **Youth Explorers of Science (YES!)**. It is an annual offering of science and technology activities to schools that aims to expose students and teachers to various scientific activities in a fun and interactive manner.

This year, YES! activities include the **Forum on Disaster Prevention and Mitigation** and the **YES Challenge Ja!: Inter-School Science Quiz Bowl** scheduled on **22 August 2024, 01:00 P.M.-05:00P.M.** at the Paghi-UsA Hall, University of Antique - Sibalom Campus.

In line with this, we would like to invite 100 participants, including students and teachers from high schools in Antique to participate in both activities. Furthermore, accommodation and transportation expenses will be shouldered by the participants.

Enclosed herewith is the draft program and the comprehensive mechanics and guidelines of the activities. Our staff, Ms. Reylen M. Jabian, will be coordinating with your office for the details of this matter. Should you have any concerns, you may also reach us through email address, [scholarship@ro6.dost.gov.ph](mailto:scholarship@ro6.dost.gov.ph), or call at (033) 330-1565; (+63) 9481164967.

We look forward for your support in this undertaking.

Thank you very much.

Sincerely yours,

**ROWEN R. GELONGA, ChE, CESO II**  
Regional Director

/rmj

## **Youth Explorers of Science! (YES!)**

August 22, 2024, 1:00 P.M

Paghi-UsA Hall, University of Antique

### **Programme**

<b>Time</b>	<b>Activity</b>	<b>Remarks</b>
12:00 -1:00 PM	Registration	Thru app, to collect signatures during the distribution of snacks

1:30 -4:30 PM	Quiz Bowl proper	
4:30 - 5:00 PM	Awarding of Winners	Snacks

**Youth Explorers of Science (YES)**  
**YES Challenge Ja!: Inter-School Science Quiz Bowl**  
Guidelines and Mechanics

**Objectives:**

The **YES Inter-school Science Quiz Bowl** will be conducted on **August 22, 2024 (2:00 PM – 5:00PM)** at the **Paghi-UsA Hall, University of Antique**. This activity shall be in consonance with the following objectives:

1. To promote excellence in Science, Technology, Engineering, and Mathematics (STEM) among the youth;
2. To promote the role of STEM in everyday life and in our future;
3. To serve as a venue for discovering students with potential in STEM.

**Participation:**

1. The science quiz bowl is open to all bonafide senior high school students in the province of Antique.
2. Each school must have **one (1) participating team** composed of **two (2) student participants** who are enrolled students of the high school.
3. The two participants for each senior high school will work as a team.
4. All participating teams must fill-out and pass the participant's application form on or before **August 15, 2024**.

**Mechanics:**

1. The contest is composed of three (3) rounds.
  - i. The first round is the Easy Round and shall be composed of fifteen (15) questions.
  - ii. The second round of questions shall be the Average Round with ten (10) questions.
  - iii. The third round shall be the Difficult Round composed of five (5) questions.
2. Participants shall be given fifteen (15) seconds to answer each question of the easy round, thirty (30) seconds for average round, and sixty (60) seconds for the difficult round questions.
3. The quizmaster shall read each question twice and the participants shall wait for the go signal from the moderator before answering the question.
4. Time starts as soon as the go signal has been given and ends at the sound of the buzzer in which the participants shall raise their answer.
5. There shall be only one (1) official timer who shall signal the end time.
6. The judges shall announce the correct answer of each question.
7. Each team shall write their answer clearly and legibly on the board, which shall be provided with marker and eraser.
8. There are assigned watchers participating teams who shall make sure that the rules and regulations are strictly followed. The watcher shall verify the answer of the assigned team.
9. If a watcher caught a team answering before the go signal has been given, a warning will be given to that team. If a team is caught twice, that team shall not be allowed to answer that particular question.
10. In the case of a tie, there shall be a Clincher Round which will be composed of three given questions. The team with the highest score will be declared as winner of the tie. If the tie is not yet broken after the three questions, additional questions will be given until a winner is declared.

**Scoring:**

1. An easy question is equivalent to one (1) point, average question to three (3) points, and the difficult question to five (5) points.
2. At the end of the difficult round, the scorer shall sum up the total points (Easy, Average, and Difficult Rounds) of each team and determine the 2<sup>nd</sup> runner up, 1<sup>st</sup> runner up, and the Champion. The winners will be declared upon the approval of the panel of judges.

**Protest:**

1. Only the participants can make a complaint which should be raised before the next question is given.
2. The panel of judges shall act on the complaint and their decision is final.

**Filing of Application**

1. An application to participate in the YES! Challenge Ja!: Inter-school Science Quiz Bowl should be sent to **DOST Regional Office No. VI / Antique Provincial S&T Office** or send to [scholarship@ro6.dost.gov.ph](mailto:scholarship@ro6.dost.gov.ph) on or before **August 15, 2024**.
2. For application and inquiries, please contact:
