Schools Division Superintendent  
Division of Capiz  
Banica, Roxas City

Dear Sir Aposin,

This year, Roxas City Government with Ang Panublion Museum will be partnering with the Western Visayas Association of Museums, Inc. (WVAMI) and the National Commission for Culture and the Arts (NCCA) for the Regional Museums and Heritage Summit 2024 to be held in Roxas City, Capiz. This event will bring together cultural workers, museum professionals, tourism officers, teachers, learners, and artists from all over Western Visayas for a three day engagement on **"Living Heritage and Culture" on September 27-29, 2024.**

This is an opportunity for us to expand our knowledge and skills on the subject matter and foster intellectual exchange between key personalities and industry leaders who are movers in the regional museum, culture, heritage, and arts scene.

We have invited the following resource persons from Manila:

- **Ar. Paulo Alcazaren**, a licensed environmental planner, award-winning landscape architect, design consultant, writer and journalist. He will talk about, ***"Adaptive and Educational Utilization of Plazas and the Landscape"***, and he will be opening his travelling exhibition on, ***"Places of Memory, Places of Heart" Plazas in the Philippines.***
- **Mr. Jorell Legaspi**, Deputy Director-General for Museums of National Museum. He will talk about, ***"Museums as Community Placemakers and Keepers of Memories"***.
- **Ar. Carmen Bettina Silao – Bulaong**, President of Escuelta Taller de Filipinas Foundation, Inc. She specializes in architectural heritage conservation. She will talk about, ***"Promoting Conservation and Preventive Maintenance Within your Communities"***.
- **Mr. Toym Leon Imao**, Chairperson of UP President's Committee on Culture and the Arts, and Asst. Professor of the College of Fine Arts. He will talk about, ***"When Culture, History and Art are Accessible Outdoors"***.

The brief for this year's gathering is as follows:

*This year's summit takes into account various methods and case studies to preserve history, culture and heritage. These different modes of activation will also demonstrate how museums can be directly or indirectly instrumental in making these accessible to the general public through programs, events, activities, place-making and exhibitions.*

There will be a minimal registration of P1,000 to help defray expenses such as food, venue and transportation for the 3 day activities. I would appreciate it if your office can send the participants' names ahead on or before September 20, 2024.

Please feel free to have your staff contact me for your inquiries or clarifications through 09173120277 or email at [panublionmuseum@gmail.com](mailto:panublionmuseum@gmail.com)
