Dear SDS Bermejo,

Greetings of overflowing and abundant favor!

The Council for the Restoration of Filipino Values (CRFV) is proud to continue its unwavering commitment to nation-building through the Values Restoration Program (VRP). Following a decade of successful events, we are pleased to announce the VRP Capacity Building XI, with the inspiring theme, *"ReBuilding the Nation through Values."* This event marks a significant milestone in our silent movement to restore values across the public service.

This year's Capacity Building event will be held at Tagaytay Country Hotel from November 18 to 20, 2025. The theme is especially relevant today, as it emphasizes the crucial role of values in restoring integrity and trust. It calls on us, as values champions, to be pillars of positive change in a time when national concerns highlight the urgent need for a renewed commitment to ethical leadership.

This summit will equip participants with the tools and insights needed to champion values-driven initiatives within their own agencies. We are proud to share that our movement continues to grow—nearly 5,000 Values Restoration Officers (VROs) are now serving across government agencies nationwide. Through this summit, participants will be equipped with practical frameworks, and renewed inspiration to effectively lead values-based initiatives in their respective institutions.

We cordially invite you and your colleagues to join us in this vital endeavor. The registration fees are as follows:

	Early bird (on or before Oct. 31)	Regular Rate
Virtual (Zoom & FB Live)	₱ 4,500/pax	₱ 5,000/pax
