PHILIPPINE RED CROSS

ABOUT THE RED CROSS

Born officially in 1947, but with roots that traces back to the revolutionary days, the Philippine Red Cross has truly become the premier humanitarian organization in the country, committed to provide quality life-saving services that protect the life and dignity especially of indigent Filipinos in vulnerable situations.

The story of the Philippine Red Cross is the story of men and women from all walks of life who have dedicated themselves to the service of humanity. It is the tale of hundreds of thousands of ordinary people who devoted their time and resources to help the poorest of the poor. Professionally trained and truly compassionate, these men and women are ready to lend a helping hand to those in need – whoever, whenever and wherever they may be.

In all its 67 years of reputable existence, the Philippine Red Cross has lived through many changes that were intended to help more people. Where it used to be involved only in providing blood and in disaster-related activities, the Philippine Red Cross now focuses on a holistic approach to uplift the condition of the most vulnerable. Where it used to offer short-term palliatives, it now offers a wider array of humanitarian services ranging from preventive medicine to therapeutic counseling, to youth leadership.

At present, the Philippine Red Cross has 102 chapters nationwide that provides six major services: Blood Services, Disaster Management Services, Safety Services, Health Services, Social Services, Red Cross Youth and Volunteer Services. All of them embody the fundamental principles of the International Red Cross and Red Crescent Movement – humanity, impartiality, neutrality, independence, voluntary service, unity and universality. These values guide and inspire all Red Cross staff and volunteers, to whom being a Red Crosser is more than just a philosophy but a way of life.
