SUBJECT : ONLINE TEACHERS' TRAINING ON TEACHING READING
AND MATHEMATICS

DATE : July 4, 2024

The Department of Education (DepEd), in partnership with the Knowledge Channel Foundation, Inc. (KCFI), encourages public and private school teachers to participate in the forthcoming *Online Teacher's Training on Teaching Reading and Mathematics* on July 15 and 16, 2024, via Zoom and Facebook Live. This is part of DepEd's ongoing collaboration with KCFI under the National Learning Recovery Program (NLRP).

The training will focus on different teaching strategies and the use of *Wikaharian and Ready, Set, READ!* for teaching reading in Filipino and English, and the use of *MathDali* for teaching mathematics.

Wikaharian, Ready, Set, READ!, and MathDali are video series developed by KCFI with DepEd based on DepEd's curriculum and teachers' guides. These video series have been pilot-tested in the Schools Division Offices of NCR, CALABARZON, and Region 3, resulting in better classroom engagement, comprehension of lessons, and improved learning outcomes.

Attendance in the program will merit a Certificate of Completion and Continuing Professional Development (CPD) points from the Professional Regulation Commission (PRC). Details on registration and Zoom meeting link are available at:
