I. INTRODUCTION TO THE AGENCY

**Background**

The National Civil Defense Administration (NCDA) was established in 1954 by virtue of Republic Act No. 1190, otherwise known as Civil Defense Act of 1954. Organized under the Office of the President, the NCDA was mandated to *"establish and administer a comprehensive national civil defense program; formulate and prepare at all times plans and policies for the protection and welfare of the civilian population in time of war directly involving the Philippines or other national emergency of equally grave character..."* In 1970, the administration of then president Ferdinand E. Marcos saw the need to establish a Disaster and Calamities Plan by an Inter-Departmental Planning Group on Disasters and Calamities.<sup>1</sup> Two years later, the Office of Civil Defense (OCD) was established by virtue of Letter of Instruction (LOI) No. 19 effectively replacing the NCDA. Under its new charter, the OCD was tasked to *"coordinate national level activities and functions of the national government, private institutions and civic organizations"* Finally in 1978, through Presidential Decree (PD) 1566, the National Disaster Coordinating Council (NDCC) was established as the highest policy-making body and the focal organization for disaster management in the country<sup>2</sup>.

JUN 27 2024

**MEMORANDUM CIRCULAR**

No. 05, s. 2024

**TO :** Members, National Disaster Risk Reduction and Management Council (NDRRMC); Chairpersons, Regional DRRMCs; Metro Manila DRRMC; Bangsamoro Autonomous Region in Muslim Mindanao DRRMC; Provinces/Cities/Municipalities DRRMCs; and Other Concerned Offices

**SUBJECT :** Guidelines for the Gawad KALASAG Seal and Special Awards for Excellence in Disaster Risk Reduction and Management and Humanitarian Assistance

**Gawad KALASAG**  
(Kalamidad at Sakuna **LABanan**, **SAriling** Galing ang Kaligtasan)

**BACKGROUND**

Established in 1998, the Gawad KALASAG (GK) Search for Excellence in Disaster Risk Reduction and Management and Humanitarian Assistance has served as the country's recognition and award scheme for various stakeholders who promote and implement disaster risk reduction and management, climate change adaptation (DRRM-CCA), and humanitarian assistance programs that protect and shield high-risk communities against extreme hazards and render them more capable of addressing their vulnerabilities. It was aimed as a mechanism to obtain sustained commitment and support by recognizing the exceptional contributions of DRRM practitioners in strengthening the resilience and adaptive capacities of various aspects of society and communities to disaster risks.

Based on past experiences and lessons learned, the Gawad KALASAG program was transformed into the Gawad KALASAG Seal and Special Awards for Excellence in Disaster Risk Reduction and Management and Humanitarian Assistance and adopted a mandatory assessment of all Local Government Units, specifically Provinces, Cities, and Municipalities (PCM) and critical institutions (Schools and Hospitals); continued competition for Civil Society Organizations (CSOs); and special recognition for individuals and organizations.

The GK will cover the following: (1) GK Seal for Local DRRM Councils and Offices; GK Special Awards for (2) Best Civil Society Organization, (3) Best People's Organization, (4) Best Volunteer Organization; (5) Best Higher

Education Institutions; (6) Best Private Organizations; (7) Best Government Emergency Management and Response Teams (GEMs); (8) Best Hospitals; (9) Best Schools; (10) GK Special Recognition for Individuals and Organizations; and (11) Heroic Act for Individuals and Groups.

## **I. RATIONALE**

Since the GK implementation in 1998, its assessment guidelines have evolved based on the actual situation on the ground. The GK Seal for Local DRRM Councils and Offices (LDRRMCOs) serves as an assessment mechanism for all Local Government Units as they implement the mandatory provisions of Sections 11 and 12 of Republic Act No. 10121, specifically on the institutionalization of their Local DRRM Councils (LDRRMCs) and Local DRRM Offices (LDRRMOs), including other policy issuances such as the reporting on the allocation and utilization of the Local DRRM Fund (LDRRMF).

Further, the transformation of the GK Search into GK Seal provides the platform for convergence and enhancement of the DRRM localization programs, projects, and strategies under the Office of Civil Defense, such as the Review of Local DRRM Plans (LDRRMPs), the assessment of LDRRMCOs, assessment, and monitoring of LDRRMF Utilization. With the mandatory assessment, the challenges and gaps in the implementation of the LDRRM Plan of each Local Government Unit (LGU), and activities to address DRRM-CCA needs and priorities of LDRRM officers and staff, as well as LDRRMC members, can be identified.

On the other hand, the assessment of other critical institutions (Schools, Hospitals, etc.) further strengthens the institutionalization of the standards, thereby preventing disasters and minimizing disaster risks.

Moreover, the GK Special Awards recognizes and acknowledges the outstanding contribution of partners and institutions such as Hospitals, Schools, Civil Society Organizations, People's Organizations, Volunteer Organizations, Private Organizations, GEMS, as well as groups and individuals.

As the GK Seal and Special Awards seek to strengthen disaster resilience through a "whole-of-society" approach, it also ensures inclusivity, generating wider and greater participation, as well as equal opportunity for all stakeholders in the promotion and sustainability of DRR-CCA innovations and best practices.

## **II. PURPOSE**

This Memorandum Circular is issued to prescribe the guidelines on the criteria (requirements/qualifications), procedures (phases/steps), and processes (assessment/selection/evaluation process), including the timelines for the implementation of Gawad KALASAG Seal and Special Awards for Excellence in DRRM and Humanitarian Assistance. Specifically, the Guidelines provide the following:

- a. Mechanisms for the mandatory assessment of Local DRRM Councils and Offices of Provinces, Cities, and Municipalities under the GK Seal for LDRRMCO Category;
- b. Procedure on the application or endorsement-based assessment of institutions, organizations, individuals, and groups for the GK Special Awards;
- c. Composition of the Regional and National Validation/Selection Committee and the National Gawad KALASAG Committee prescribing their respective roles and responsibilities;
- d. Redress mechanism to address grievances, appeals, and protests arising from the evaluation and validation of submissions and entries;
- e. Logistical and administrative arrangements for the conduct of GK; and
- f. Information on the necessary logistical and documentary requirements for the assessment of LGUs for the LDRRMCO Category and the selection of awardees for the GK Special Awards Categories.
