DepEd Division of Capiz

Dear Sir Bermejo,

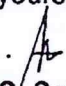

Warm Greetings from GMA Kapuso Foundation!

The Foundation is now preparing for our **Unang Hakbang Sa Kinabukasan (UHSK)** Project, a distribution of backpacks with school supplies to incoming Kinder and Grade 2 pupils from the most remote and underprivileged areas nationwide. The UHSK aims to help poor parents in encouraging their children to go to school and inspire them to study and remain in school having a complete set of school materials.

In line with this, we would like to seek your assistance in providing us the number and list of students per public school from Kinder to Grade 2 of your recommended schools/areas in **Ivisan and Sapián ,Capiz. 3,000 learners** from your recommended schools will be our beneficiaries and **target date of distribution will be on July 1-5, 2025.**

We anticipate your support to our UHSK Project and we look forward to provide school supplies to underserved children. I will be following up your response and coordinate needs for the respective project. Please feel free to contact at **09480976981**; or [MSSatioquia@gmanetwork.com](mailto:MSSatioquia@gmanetwork.com) should you have inquiries about our request.

Sincerely yours,
