**PROGRAM IMPLEMENTATION GUIDELINES FOR THE PRINTING AND DELIVERY OF  
LEARNING RESOURCES FOR LEARNING PACKETS**

**Program Implementation Guidelines for Learning Packets**

**I. Program Background and Design**

1. Learning Packets consist of twenty-five (25) to fifty (50) tasks per grade level and are designed to be distributed at the start of the school year or quarter. These packets are intended to be consumable as learners can write on the materials provided.
2. The use of these packets are activated during class suspensions as a primary mechanism for learning continuity unless otherwise specified in the Learning and Service Continuity Plan of the School.
3. The Learning Packets include tasks such as writing, reading comprehension, speaking, scientific observation, and problem-solving exercises which are grade level appropriate.
4. Tasks indicated in the Learning Packets need not be directly related to current lessons, but instead may include lessons that need further deepening, advance work for future lessons, exercises to further literacy and numeracy, or activities that develop life skills and career guidance.
5. The pedagogical rationale for this includes reinforcing prior learning, pre-teaching future lessons, differentiation, and facilitating assessment and feedback. Tasks are aligned with the year's curriculum in the different learning areas to ensure instructional effectiveness.
6. The content of the Learning Packets adheres with the Content and Performance Standards of the curriculum set by the Department.
7. One (1) set of Learning Packets is made up of twenty-five (25) to fifty (50) activities per grade level, which encompass multiple subject areas.
8. Initial ready-to-print digital copies of the Learning Packets can be accessed through this link: <https://tinyurl.com/yba49p5d>.
9. Additional Learning Packets may be further provided by the Learning Systems Strand.

## **II. Criteria for Targeting and Prioritization**

The following guidelines shall be observed by the Regional Offices (ROs):

1. Each school shall provide one (1) set of Learning Packets per grade level to students from Grade 1 to Grade 12.
2. The quantity of Learning Packets to be printed shall be determined by the Regional Directors (RDs) based on the budget breakdown.
3. Moreover, the quantity of the aforementioned materials shall not fall below the set physical targets to ensure adequate learning resources for all intended grade levels.

**PROGRAM IMPLEMENTATION GUIDELINES FOR THE PRINTING AND DELIVERY OF  
LEARNING RESOURCES FOR THE DYMANIC LEARNING PROGRAM**

**I. Program Implementation Guidelines for DLP**

**Program Background and Design**

1. The Dynamic Learning Program (DLP) is a structured, activity-based learning delivery modality designed to ensure learning continuity in contexts where traditional instruction is disrupted. In emergency situations, such as natural disasters, public health crises, or armed conflict, the DLP offers a resilient, low-tech, and learner-centered approach that minimizes dependence on lectures and digital infrastructure while maximizing student autonomy and mastery. It emphasizes independent learning through Learning Activity Sheets (LAS), with minimal teacher intervention. The program is grounded in the principles of flexibility, equity, and resilience, making it particularly suitable for high-risk and vulnerable communities.

2. The DLP in emergency situations is implemented by virtue of DO No. 22 s. 2024 or the Revised Guidelines on Class and Work Suspension in Schools During Disasters and Emergencies. It is implemented in three (3) phases:

A. Pre-Implementation:

- a. Risk assessment and contingency planning; updating of Learning and Service Continuity Plan
- b. Preparation and distribution of LAS in advance.
- c. Orientation of teachers, parents, and community volunteers.

B. Implementation During Emergency

- a. DLP LAS will be answered by learners during suspension of face-to-face classes, by copying the full contents of the DLP LAS onto a blank paper on their notebook
- b. Learners shall return the LAS and submit their copied sheet or notebook to the teacher when classes resume, or in cases where suspensions are more than three class days, communication or drop off points as may be agreed with the school.

C. Post-Emergency Implementation

- a. Assessment of learning gaps based on answered DLP LAS
- b. Provision of direct instruction to reinforce DLP LAS based learning (as necessary).

## **II. Components and Items/Package**

### **1. DLP Learning Activity Sheets**

The content of the DLP-LAS is aligned with the Content and Performance Standards of the curriculum set by the Department. There are forty (40) DLP LAS per subject area per grade level in Junior High School.

### **2. Teachers' Notes**

The TNs correspond one-to-one with the content of the DLP-LAS and serve as guides to assist teachers in delivering the lessons effectively.

For uniformity and operational efficiency, the DLP-LAS and TNs to be printed shall cover Grade Levels 7-10 across all eight (8) learning areas developed by the Bureau of Learning Delivery (BLD), which can be accessed through the following links:

- **Quarter 2:** <https://tinyurl.com/DLPTRP2025Q2>
- **Quarter 3:** <https://tinyurl.com/DLPTRP2025Q3>

## **III. Criteria for Targeting and Prioritization**

The following guidelines shall be observed by the Regional Offices (ROs):

1. DLP LAS shall be provided to independent readers as may be based on the PhillRI or Independent Learning Readiness Test of the Bureau of Learning Delivery.
2. DLP LAS are forty (40) sheets per subject area per grade level.
3. A complete set of the Teachers Note, which is the guide for teachers in teaching the contents of the Learning Activity Sheet, per subject area per grade level shall be provided to all implementing schools.
4. The DLP LAS and the Teachers' Notes are not consumable and shall not be written on. Learners are meant to copy and answer the learning activity sheets on blank papers or notebooks. The Teachers' Notes are meant to be reused by school faculty.
5. The technical specifications for the production of DLP LAS and TNS must be strictly adhered to.
6. Quantities of DLP LAS and Teachers' Notes to be printed shall be determined by the Regional Directors (RDs) based on the budget breakdown.
7. Moreover, the quantity of the aforementioned materials shall not fall below the set physical targets to ensure adequate learning resources for all intended grade levels.

**Republic of the Philippines**  
**Department of Education**  
*Region VI – Western Visayas*  
**SCHOOLS DIVISION OF CAPIZ**

**IV. Capability Building for the use of DLP LAS**

1. The National Educators Academy of the Philippines shall provide capability building interventions through Masterclasses and provide information materials to ensure teachers, school heads, and the community at large are capacitated in the use of DLP LAS during emergency situations.
2. Regional DRRM Focals and School Heads shall provide technical assistance to schools in implementing DLP LAS for emergency situations.
