Education Program Supervisor

DepEd Regional HLI Focal

All Schools Division Office

Dear **Director Eco**:

Greetings of Peace and Good Health!

The Department of Health advances health promotion through a settings-based approach, recognizing the importance of creating supportive environments in the places where Filipinos spend most of their time: in workplaces, in schools, and in the community. This approach integrates health promotion actions across various priority areas and risk factors, emphasizing that achieving better health outcomes requires the collective commitment and participation of different sectors.

In recognition of these efforts, the **Department of Health Western Visayas – Center for Health Development (DOH WV CHD)**, through its **Health Promotion and Communications Management Section (HPCMS)**, will be conducting the **Healthscape Convergence** with the theme: *“Pagpamunga: Harvesting Fruits of Excellence and Celebrating Health Convergence for Healthy Settings”* to honor partners and stakeholders who have demonstrated exemplary performance, meaningful commitment, and outstanding contributions in the implementation of healthy settings initiatives.

In this regard, we are pleased to invite you and the **School Head** of each school listed in the attached document to attend the said event on **September 29–30, 2026**, at the **District 21 Hotel, Mandurriao, Iloilo City**. Registration will start promptly at **8:00 AM**.

Kindly confirm your attendance by accomplishing the RSVP Form through the following link on or before **September 11, 2026**: <https://tinyurl.com/RSVP-HealthConvergence> .

All invited participants are hereby encouraged to wear **Smart-Casual Attire** strictly adhering to the event's color palette.

Your presence will make this occasion more meaningful as we celebrate the achievements of our partners and recognize their invaluable contributions toward building healthier homes, schools, workplaces, and communities across Western Visayas.
